

Summit To Success, Inc.

With opportunity comes obligation. Together, we climb. One child, one community, one nation at a time.

Kick For Kids – Penalty Kick Challenge Fundraiser

What This Is

Kick For Kids is a simple soccer fundraiser built around penalty kick challenges.

Participants collect pledges based on how many goals they score.

Each participant takes a set number of penalty kicks against a goalkeeper and records how many they score.

Every goal supports scholarships and Care Packages through Summit To Success.

In this challenge, the participant completes the activity, and supporters make pledges based on the results.

This can be done at:

- a soccer field
- a school gym
- an indoor turf facility
- or any space with a goal

No complicated setup. Just a ball, a goal, and a clear target.

Run It Yourself (Start Anywhere)

You can do this on your own. No team or organization needed.

Each fundraiser is confirmed by Summit so everything stays transparent and legit.

Once confirmed, you can:

- Choose your setup
- Pick a time and location
- Reach out to your network
- Collect pledges
- Complete the challenge

Whether it's one participant or a small group, it works.

How It Works

1. Set Up Your Challenge

Standard format:

- 20 penalty kicks

Optional:

- increase to 30 or 50 for higher impact
-

2. Collect Pledges

Ask supporters to pledge based on goals scored.

You are not paying anything yourself. Pledges come from your supporters.

You also do not collect any money. All donations go directly through Summit To Success.

Typical pledges:

- \$1 to \$10 per goal

Higher-impact supporters may choose:

- \$15+ per goal
-

3. Complete the Challenge

Take your penalty kicks against a goalkeeper.

Try to:

- keep conditions consistent
- use a standard distance
- avoid distractions

A witness is required to verify results. This can be:

- a video recording (preferred), or
 - a scorekeeper present during the challenge
-

4. Submit Results

Send:

- total goals scored
 - video or photo proof (if available)
-

5. Donations

We handle the rest. We calculate totals, send donation requests, and issue receipts.

What You Can Expect

- Most participants score 10 to 16 goals out of 20

That usually leads to:

- \$50 to \$800 or more raised, depending on pledges

Even one participant can generate meaningful support.

Why This Works

- Simple and competitive
 - Easy to understand
 - No cost to participate
 - Works in many environments
 - Great for soccer players and teams
 - Easy to repeat
-

Basic Guidelines

- Use a standard goal when possible
 - Use a goalkeeper for all attempts
 - Keep penalty distance consistent
 - Be honest with results
 - Follow the witness requirement
 - Prioritize safety
-

Keeping It Legit

To keep everything clean and trustworthy:

- Each fundraiser is confirmed by Summit
 - Each one gets a simple verification reference
 - Only confirmed fundraisers are considered official
 - All donations go directly through Summit
 - Participants never handle money
-

Ready to Start?
